**Week 5 (w/c 18/5/20)**

**Hello Year 3!**
This week we would like you to complete the following learning.

| **Maths:** | Mr JB’s video lesson on maths this week will teach you a method of written multiplication which you can use to help with all of this week’s work. Please complete at least the following worksheets:  
- Baker’s Shop  
- Ice Cubes  
- Multiplication Grids warm up  
- Multiplication Grids (for video lesson)  
Then if you want an extra challenge, complete page 3 of ‘Multiplication Grids (for video lesson)’.  
Check your answers with a calculator or ask an adult to mark them! Make sure you’re also using TTRockstars to practice your times tables. |
|---|---|
| **English:** | Please complete the following activities this week which can all be found on both DB Primary and on the Year 3 Home Learning page of the Burnt Oak website. The video lesson can also be found under ‘Video Lessons’ on the home learning tab of the website:  
- ‘Summer 1.5 Video lesson – Prince Pondicherry’  
  - This is the resource that correlates with Miss Sadhra’s video lesson. Use this and follow along with Miss Sadhra in the video.  
- ‘Summer 1.5 What is a Clause’  
- ‘Summer 1.5 Creative Writing – High Flyer’  
  - This is a set of activities leading up to an extended writing task.  
  - Try not to do all of it in one go, spread it out and end with the piece of writing.  
  - Try to complete it like we do in class if you can – set a timer for 30 minutes of planning and then give yourself a calm space and write for about an 45 minutes – 1 hour.  
*If you need to take brain breaks during this time, please keep them short (sharpening a pencil, getting some water, going to the loo)*  
  - If you want to go back and add more at a later point, that is fine.  
  - Remember to use your editing skills to read back through your work and change |
| **Curriculum:** | Watch Mr JB’s video lesson called ‘Year 3 Topic 1’.  
If you want something extra, choose one of the activities from the ‘Summer 1 Homework Passport’ which you can find on the Home Learning page. |
| **Spellings and times tables** | Please ensure that you continue to do your spellings and times tables like you would if we were at school, so ask an adult to test you on them once a week. See the ‘Homework wb/18.5.20’ sheet on the website or DB Primary for these. |
| **Reading** | You should still be reading at least 3 times a week if not more, and there is also extra reading from Charlie and the Chocolate factory on the website along with some comprehension questions if you want to. |
| **Optional additional learning** | If you want something else to get your teeth into, check out the links at the bottom of the Year 3 Home Learning page of the school website. |

Happy learning everyone,

Mr JB & Miss Sadhra
